**TIFFANI WATTS**

---

The summer reading programs is a way to encourage school children, particularly those in urban areas, to read during their summer vacation, use the library and develop the habit of reading.

Students are reading the required summer reading book together. Each student was given a summer reading book from the Office of Innovative Strategies. The students will read their summer reading book during camp and will start to complete

### Q & A

Clarence Dunmore:

Q. Why do you like chess?

It teaches students how to strategize and think forward.

Q. What do you like about chess?

It helps people to think harder and you do not have to be extremely smart to play it.

Q. What is the objective of chess?

To predict the opponents move

Jenesis is a student in chess she is going to Cardozo for 6<sup>th</sup> grade.

She is learning the fundamentals of chess. One of her favorite pieces on the board is the queen because it is the second most powerful piece. She would love to play chess professionally or even in a club at her school.
