The supervisor or supervisors requesting testing shall prepare and sign written documents explaining the circumstances and evidence upon which they relied within 24 hours of the testing, or before the results of the tests are released, whichever is earlier. The required observations for alcohol and/or controlled substance reasonable suspicion testing shall be made by a supervisor or designee who has been trained for at least 60 minutes on alcohol misuse and an additional 60 minutes on controlled substance misuse. While one supervisor may request a reasonable cause test, when feasible, supervisors are encouraged to obtain a second supervisor as a witness.

2. Random Testing

The Jackson Public School District will conduct random, unannounced screening for alcohol and controlled substances for all employees under the Omnibus Transportation Employee Testing Act of 1991 and those employees who hold safety-sensitive positions, including employees in the following job categories or those employees who drive district vehicles as the primary duties in carrying out their job responsibilities: bus drivers, bus aides, mechanics, gas attendants, offset equipment operator I, offset equipment operator II, graphic arts specialist III, darkroom specialist II, crew foreman, coordinator in bonds and facilities, carpentry, climate control, courier, custodians, drivers education, electronics department, electrical department, fixed asset, food service employees at school sites, food service warehouse, plant and operations, plumbing department, preventative maintenance, JROTC, safety and security, site care, and warehouse central will be screened for controlled substances only. The school district will administer tests of employees in a number equal to or greater than 50 percent of the workforce — without advance notice — in the first 12 months of testing. All employees are prohibited from possessing, drinking, or being impaired or intoxicated by alcohol while at work or on duty. While employees are prohibited from having any alcohol present in their system while on duty, a breath alcohol concentration (BAC) of .04 will be accepted as presumptive evidence of intoxication. Additionally, mandated employees (employees subject to provisions of 49 C.F.R. Part 40 and the Omnibus Transportation Employee Testing Act of 1991) with a BAC of .02-.039 will be placed out-of-service for a period of no less than 24 hours.
