

PROHIBITION OF SMOKING AND TOBACCO PRODUCTS

The Jackson Public School District Board of Trustees recognizes that smoking presents a health and safety hazard that may have serious consequences for the smoker and nonsmoker and for the safety of the District. Because of the Board's grave concern for the safety of the District, and in order to protect the scholars, staff, visitors, and guests of the District from an environment that may be harmful to them, and because of its possible harm to personal well-being, the Board hereby prohibits smoking by all staff, scholars, visitors, or guests in all school district buildings, district vehicles, and on district grounds.
